

ASDAM 2022
14th International Conference
on Advanced Semiconductor
Devices and Microsystems
Smolenice Castle, Slovakia
23 to 26 October 2022

Call for Papers

Authors are invited to send 2 page abstracts of their intended contributions in the following fields

- **Materials and technologies**
- **Electronic structures, devices, and systems**
- **Characterization, modelling and simulation**
- **Sensors and microsystems**
- **Telemedical and smart systems and solutions**
- **Photonics**

All accepted full papers (4 pages), no matter whether for oral or poster presentation, will be published in conference proceedings which will be available already at the conference. Detailed instruction for the preparation of camera-ready manuscripts will be sent along with notification of acceptance.

Please visit the web site of the Conference for more details. <http://uef.fe.i.stuba.sk/asdam>
